## From the General Manager's Desk:

It's time for the Spring sports season, as we prepare our Spring Sports Guide, featuring area high schools in the Brainerd Lakes Area, we thank you for your support of local sports.

The Spring Sports Guide, a product of R & J Broadcasting, Inc., is available in the traditional book form at participating sponsors. You can also download the sports guide on our website by visiting [rjbroadcasting.com](http://rjbroadcasting.com)

Just a quick note, this Spring book will be our final edition available in a hard book copy. Beginning with the Fall 2025 Sports Guide, we will only offer the downloadable version on our website.

As we move forward and expand our coverage, we welcome you as a business owner to be part of the growth. Building and creating relationships with advertisers and listeners is our number one priority! If you have any questions visit [www.rjbroadcasting.com](http://www.rjbroadcasting.com) and fill out the advertiser questionnaire. Thank you, and we look forward to a great Spring Season!

Thank you!

**DON ELLIOTT** | General Manager, Brainerd-Aitkin Cluster, R & J Broadcasting, Inc.

## From the Sports Director's Desk:

When you can have a 60 degree temperature difference in one week, we say "Welcome to Minnesota!"

As always, we're hoping Mother Nature is friendly to us as we embark on the shortest of the high school sports seasons – spring! As long as the winter season seems some years, there's never any mistaking that the spring season moves swiftly by. Then we all start thinking about summer fun!

We present to you our Spring Sports Guide Book, featuring your favorite teams' schedules and coach's comments entering the season.

We ask that you keep in mind that this guide and our broadcasts are made possible by the advertising businesses. Please thank them, and with every chance you get, support them with your business. Many of them also give back to the community and area schools as well!

Thank you to all of those who support us by doing business with us, giving us feedback, and joining us in our journey of promoting our area schools, communities, and events!

Enjoy the spring sports season and good luck to all of our area teams!

## COACH'S COMMENTS

## RICH AULIE

## Boys' Golf

**Conference:** Great River – this is a new conference for us due to the break up of the Mid State Conference

**Section:** 6AA

**Years Coaching:** This will be my 38th year coaching golf

**Last Year's Record:** 2nd in both the Mid State and Mid Minnesota Conferences

**Returning Players Stats:** Seth Parkin (Sr) – 82.5 adjusted stroke average; Danny Goodwin (Sr) – 97.2 adj. stroke avg.; Louie Meyer (So) – 79.8 adj. stroke avg.; Parker Fulton (So) – 83.1 adj. stroke avg.; Quinn Crowther (So) – 98.4 adj. stroke avg.; Noah Nyberg (Fr) – 86.0 adj. stroke avg.

**Players to Watch:** All six players are returning lettermen; Louie Meyer is a two-time all-conference golfer

**Coach's Outlook/Expectations:** I am excited to see how our squad does competing in a new conference this year on unfamiliar courses.

**Conference Favorite – Your Pick(s):** Moose Lake has a number of golfers returning. Mora and CIA are new teams in the conference this year. I like our chances to do well.

**Section Favorite – Your Pick(s):** Pequot Lakes, Staples-Motley, and St. Cloud Cathedral will all be strong this year.

**Projected Starting Lineup:** We will begin the year with our six lettermen and hopefully have some younger players step up as well.

**Where are they now? Notable Alumni:** Kris Boike, former PGA pro at Rutgers, Cuyuna, Minnesota National, and Northwoods Hills, is now working for Wilson Golf and will hopefully be helping with the golf teams this year.

Tom Burgstaler is an assistant pro at Deacon's Lodge again this year. Seth Knudson is the boys golf coach at Bemidji High School.

**COACH'S COMMENTS**  
**NIKKI PEARSON**  
 Softball

**Years Coaching:** 8 (4 varsity)

**Returning Players Stats:** Kaija Neary, Bella Dunham, Abby Zapzalka, Maddie Barnes, Jasmine Kingsley, Charity Berg, Casey Jones, Quiana Borders, Avery Ruyak, Pearl Johnson, Hannah Barnes, Hailey Barnes, Chloe Marinaro, and Kenzie Benson.

**Players to Watch:** Senior Pitcher Kaija Neary, Senior catcher Bella Dunham, Senior Center Fielder Abby Zapzalka and Junior 2nd baseman, likely moving to SS, Charity Berg.

**Coach's Outlook/Expectations:** We graduated our starting pitcher/shortstop Shaley Pearson which will leave a gap in our pitching staff, hitting and middle infield. The great news is the rest of the team are returning players and starters, so we have a great foundation to build on with hopefully just a few minor adjustments. We did great in our playoff run last year and I believe we can repeat a strong season if we can keep our pitchers and catcher healthy and work as a team.

**Projected Starting Lineup:** As always you never know until you get going and see how things go, but based off where we ended this is my best prediction. Pitching: Kaija Neary, Maddie Barnes, Pearl Johnson and Jasmine Kingsley, Catcher Bella Dunham, 1st base Jasmine Kingsley, 2nd base open to fill, shortstop Charity Berg, 3rd base Maddie Barnes, Center Field Abby Zapzalka, outfield/2nd base/subs fighting to take a spot: Casey Jones, Pearl Johnson, Avery Ruyak, Hailey Barnes, Hannah Barnes, Quiana Borders, Kenzie Benson

**COACH'S COMMENTS****TYLER SODERSTROM**  
**Baseball****Conference:** Great River**Section:** 5A**Years Coaching:** 9**Last Year's Record:** 16-9

**Returning Players Stats:** Sam Hebeisen - All State, All GRC, All Section 5A. .457 Batting Average, .596 OBP, 6-2 win-loss record, 0.67 ERA, 76 strikeouts in 41.2 innings pitched; Josiah Mueller - All GRC, .321 Batting Average, 2 home runs, 34 RBI; Creedon Spengler - All GRC Honorable Mention, All Section 5A, .321 Batting Average, .805 OPS, 21 RBI; Justus Spengler - All Section 5A, 2-0 win-loss record, 4.06 ERA

Landyn Remer and Eric Harrington - split time at catcher last season  
Wesley Harrington - 2-1 win-loss record, 1.70 ERA

**Players to Watch:** All seven of our returning Varsity players from last year's team figure to be big parts of our Varsity team again this spring. The competition for the remaining spots will be interesting, with lots of players in the mix to be either a varsity starter or role player.

**Conference Favorite – Your Pick(s):** The Great River Conference should be very competitive again this spring. If I had to pick one team, I'd say Rush City will probably be the team to beat in the Conference.

**Section Favorite – Your Pick(s):** New York Mills has been to state 4 out of the last 5 years, so until someone proves they can beat them, Mills is the team to beat.

**Where are they now? Notable Alumni:** Daniel Miller (class of '22) is playing baseball at Central Lakes College this spring

Our goal is to be in the top portion of the section and conference, and hopefully pull off some upsets. Ariana Burns and Kaitlyn Rilea have a chance to record their 100th career hits this season, and being a Junior, Ariana may just end up being the leading hitter by the time she graduates in known school history. We have some new and upcoming young talent that will fill the holes left by the seniors from last season and I expect us to improve to above .500 for the season!**Conference Favorite – Your Pick(s):** Blackduck**Section Favorite – Your Pick(s):** Blackduck**Projected Starting Lineup:** Leah Eveland, Caylei Johnson, Kaitlyn Rilea, Ariana Burns, Brooklin Mills, Aaliyah Lewis, Sawyer Tulenchik, Kalie Trout, Shannon Rugroden, Abby Gilbert**Where are they now?
